Empire State Motocross is a non profit organization made up of the promoters of Area 51 Motocross, Pavilion Motocross Park, Sick Brothers MX, Silver Springs Motopark and the Palmyra Racing Association club.

This group acts as a board of sorts, funding, managing and deciding the direction of Empire State Motocross. This group relies heavily upon a group of volunteer "Rider Advisers" that are chosen from among the members of the district. Each track gets to choose one rider adviser to be the voice of their track and it's riders. This group of rider advisers is the driving force in rule book changes, policy suggestions, awards and event promotion. This group is designed to be the voice of the district's riders, and are empowered to investigate, organize and execute any change that benefits the members of Empire State Motocross with board approval.

For 2019, your Empire State Motocross rider advisers are:

Area 51 Motocross- Dan Burandt danburandtwaterproofing@yahoo.com
Sick Bros Mx- Paul Herkimer pherk607@gmail.com
Palmyra Racing Association- Corey Sadlik corey.sadlik@gmail.com
Silver Springs MX- Jay Helker jayhelker@gmail.com
Pavilion Moto Park- Dave Williams david.williams@libertypumps.com

Please feel free to contact them via email or at the track any time should you ever have a concern or suggestion for improvement! If you wish to become a rider adviser or volunteer in any other way please email mjones0305@yahoo.com or talk to any rider adviser!

Joe Ellington is PR and Marketing Director for Empire State MX. His responsibility includes communication with our members, management of sponsors and anything else that helps builds on the success of Empire State MX's first season. Once again in 2019, national marketing agency REV Marketing is a sponsor and will be assisting in marketing and promotions. If you have any ideas or suggestion for Joe he can be reached at ellington44@verizon.net.
