everyone safe and having fun! Please keep kids off machines that are too big for them to operate, don't allow your kids to ride around the pits (except to and from the starting line in full gear), and make sure you always have full safety equipment on when operating a vehicle at one of our events. Also, as a courtesy, please turn off all loud generators before 11pm! Your riders can be DQ'd for their (or your) infractions. Thank you!

Here is an updated list of advancement points. Consult the **rulebook** if you have any questions about advancement requirements or email us at **Empire State MX**
